Editors: Bill & Annie: 54825196

As you can see, other hands are on the steering wheel this month. Bill is not up to the job at the moment being on some heavy duty pain-killers. He has spent some time in hospital but is at home as we, Gwen & Mary, do our best to keep you up with the news. We all wish him a speedy recovery and return to the Newsletter before we cause a desperate drop in circulation. This has all been tough on Annie too, so best wishes to her also

The April Meeting will be held as usual in the Rochester Community House on April 26th at 2pm. Because of the floods, the Community house has been the centre for flood relief which makes it busier than normal: more people are using the House at one time so we have decided to change the venue from May onwards. April 26th will be the last meeting there but because it is a public holiday it should be peaceful. From the May 24th meeting, we will meet at 2pm in the Day Care room at the Rochester Hospital. Access will be through the Main Entrance on Village Drive, parallel with the highway. The present afternoon tea arrangements will remain in place.

Guest Speakers
